WILLARD GRAY
S.G.A.
President

Fellow students,

As you approach the end of a school year, I am sure that you have some fond remembrances along with some bad ones. This is true in every walk of life. That's just life in the world we live in today. Man has never perfected a civilization and never will. We must learn to take the sour along with the sweet.

More and more as you go through life, you will be facing responsibilities. The question is "Will you accept them yourself, or leave them for someone else?" My prayer is that you will look to God for guidance and accept your responsibilities.

Good luck, to each of you, and may God bless.
